

Ballpoint Pen Refills

Ballpoint pens sold by MIKIMOTO International use Mitsubishi Pencil brand refills.

Please be aware that different pens use different refills:
please refer to the guide below to choose the proper refill.

Mitsubishi Pencil SE-7 • Length: 67mm

- The following ballpoint pen refills from other manufacturers are also compatible. However, as measurements may vary slightly, we recommend Mitsubishi Pencil brand refills.

Certain ballpoint pen models use a shorter refill fitted in a holder.
Please do not discard the holder; to change the refill, fit the new
refill into the original holder.
